# THE METROPOLITAN EXAMINATION

FOR THE

## Diploma of Licentiatechip of the Royal Academy of Music.

This Examination is held twice a year, and is open to

**MUSICAL COMPOSERS, CONDUCTORS, PERFORMERS  
AND TEACHERS,**

whether educated at the Academy or not.

The Examination takes place at the ROYAL ACADEMY OF MUSIC, LONDON, during the Academy Summer and Christmas vacations. The Summer Examination is held during the middle of September, and the Winter one usually occupies the last two weeks of December and the first week of January. The present syllabus applies to both periods of examination, and Candidates may enter for either or both periods. Candidates who enter for both periods in one year may repeat their pieces at the Second Examination, or present different ones selected from the same lists, as they may prefer. In choosing their pieces Candidates are advised to be careful to observe the requirements stated at the head of each Subject of examination, as the presentation of a wrong piece or failure to fulfil any of the essential conditions of their entry will render them liable to disqualification.

Candidates desiring to be examined during the first period (September) must enter their names upon a form to be obtained from the Secretary, and remit the same to the Secretary, together with the entry fee of five guineas, not later than 30th June. A Candidate having entered for this period will have the option of transferring his or her examination to the Christmas period on giving notice to the Secretary not later than the 30th July, without payment of any further fee.

Candidates desiring to be examined during the Second period (Christmas vacation) must enter their names and pay a fee of one guinea not later than the 31st October, and a further fee of four guineas not later than the 30th November. In the event of a Candidate failing, from any cause, to pay this latter fee in due time the preliminary fee of one guinea will be forfeited.

Any Candidate failing to attend for examination at the time appointed will forfeit the entry fee paid—except in cases of serious illness, notified to the Secretary at least three clear days before the time appointed for examination, and verified by a medical certificate. In such cases, a portion of the entry fee may, at the discretion of the Committee, be transferred to the following examination. In all other cases of re-entry the full fee must be paid. Candidates desiring to be examined in two Subjects must pay the full fee in each Subject.

Candidates for examination at the Christmas period may, *when completing their entry* (not before), indicate whether they would prefer to be examined before or after Christmas Day. The Secretary will endeavour to comply with the wishes thus expressed, but cannot guarantee doing so; and in any case Candidates must accept the arrangements made for them, both as regards date and time of their examination, and also the Board of Examiners to whom they are allotted.

All Candidates (except in Subjects I., VI., VIa., and performers in Subject II., and excepting such as hold any of the following British diplomas:—Mus. Doc., Mus. Bac., F.R.A.M., A.R.A.M., L.R.A.M., A.R.C.M., F.R.C.O., and A.R.C.O.) will be required to work a paper on the Rudiments of Music, Musical Ornaments, and on Harmony, as far as the chord of the dominant seventh, with inversions. Candidates in Class C, Subject II., are required to work questions on Elements of Music and Musical Ornaments. Candidates in Subjects II., III. (with certain exceptions) and IV. are required to work an additional paper, particulars of which are given on pages 7, 12, and 14. Candidates claiming exemption from the paper on Rudiments of Music must send proofs in support of such claim, with their application. This exemption does not apply to the special papers in Subjects II., III., and IV.

The paper work may be done on the same day as the practical examination, or, if the Candidate so prefer, on the day previous, or the day after it, except in the case of those called for the practical portion on the first or last day of the examination. The Academy will be closed on 24th and 26th December, and possibly other days.

The result of the practical and paper work portions of the examination is posted to Candidates within four days of the date of the practical examination.

In order to pass, Candidates are required to obtain at least seventy-five per cent. of the possible number of marks in each separate branch of the examination.

Those who succeed in the practical branch, but fail in either the paper on Rudiments or that on Form, &c., will be permitted to attend for re-examination at *either* of the next two periods, but not *both*, in that paper only (*i.e.*, the paper in which they failed), on payment of a further fee of one guinea; but if they then fail must undertake the whole of the examination and pay the full fee should they again become Candidates.

Those who succeed in the Rudiments paper, but fail in the practical branch, will, if attending at *either* of the next two periods (not both), be exempt from again working the said paper. The same applies to the paper on Form and Teaching for pianoforte candidates (Class A and Class B). The full fee, however, will be payable, and Candidates claiming such exemption must make their claim on the entry form.

In Subjects III., IV., and V., no particular system of playing or fingering is insisted upon or acknowledged; the Examiners judge entirely by results. Candidates are not

restricted to any particular edition of the work chosen, except where such is expressly mentioned.

In consequence of many requests from Candidates for advice as to text-books, the Committee have prepared a list of such works as they think will be found useful. This list appears on page 20.

Candidates who satisfy the Examiners in both portions of their examination (theoretical and practical) in any subject will be created **LICENTIATES OF THE ROYAL ACADEMY OF MUSIC.** They receive a Diploma to that effect, signed by the Principal of the Academy and a Director; and have their names publicly announced. The Licentiate Diploma certifies that the recipient is, in the judgment of the Examiners, competent to practise the specified branch of the musical profession. The Diploma also states whether such competency be as a composer, performer, or teacher or any combination of these.

Licentiates have the exclusive right to append the letters L.R.A.M. to their names.

In the absence of any request to the contrary, the Diplomas will, after they have been formally submitted to the Board of Directors at their meetings held in December and March, be sent to the addresses given by the Candidates on their forms of entry.

Candidates who have satisfied the Examiners in any class, of any subject, will be eligible as Candidates in any other class of the same subject at a subsequent examination.

On payment of an enquiry fee of two shillings and sixpence Candidates will (after the completion of the examination) be supplied with a statement of the marks awarded to them in each branch of their examination. This statement will be supplied only to Candidates.

The Committee of Management reserve to themselves the right of varying the Boards of Examiners and of appointing Examiners in addition to those herein specified, should occasion arise.

### Class A, COMPOSERS AND TEACHERS.

Candidates on entering their names must submit a Composition, consisting of a piece of some extent written for either voices or instruments or both, such as the writer shall consider to afford a fair sample of his musical and technical powers. Any Candidate whose Composition has been approved, and who has been unsuccessful in the further examination, may enter for a second time without submitting a second Composition, but must again pay the full fee.

Candidates will have to work a paper which will include tests in Harmony and Counterpoint (strict and free) in not more than four parts, also in Double Counterpoint, Canon and Fugue.

Thereafter they are required to attend a *vivā voce* examination, when they will be catechised as to the capabilities of voices and instruments, and will be required to play from orchestral and vocal score, and from figured bass. They will also be expected to show some knowledge of standard works and may be required to modulate, or complete an unfinished musical sentence at the Piano.

### Class B, TEACHERS.

Candidates in this division will submit no exercise, but will have to work the same paper as those in Class A. The *vivā voce* examination will comprise questions on the teaching of Harmony and Counterpoint, on the relation of Subject and Answer in a Fugue and a spoken analysis of Beethoven's "Leonore" Overture No. 3 from the full score. They will be expected to play at the Piano four-part exercises written in open score (with the use of the Alto and Tenor clefs), also examples of chords and their treatment; they may also be given ear tests in the naming of intervals, cadences and harmonic progressions.

The *vivā voce* examination will last about half-an-hour.

IZARD, A.R.A.M.; EVLYN HOWARD-JONES; ERNEST KIVER, A.R.A.M.; T. B. KNOTT, F.R.A.M.; STEWART MACPHERSON, F.R.A.M.; TOBIAS MATTHAY, F.R.A.M.; FREDERICK MOORE, A.R.A.M.; CLAUDE POLLARD, A.R.A.M.; CHAS. F. REDDIE, F.R.A.M.; B. SCHÖNBERGER, Hon. R.A.M.; SEPTIMUS WEBBE, A.R.A.M.; C. WHITEMORE, A.R.A.M.*

Class A, PERFORMER AND TEACHER; Class B, TEACHER;  
Class C, PERFORMER.

This Examination is intended primarily for teachers, and the general requirements are framed accordingly. The Examiners, however, have authority as heretofore to classify successful candidates in either Class A, B, or C according to the qualities displayed by them respectively. Nevertheless, it is permitted to any candidate on entering to request to be examined solely as a performer,—  
Class C.

#### Class A, PERFORMER AND TEACHER.

Candidates to pass in Class A must fulfil all the requirements for Class B, and must exhibit a higher standard of excellence in performance. No particular method or school of playing is favoured; all methods are acceptable, provided the results are satisfactory. The three test pieces selected must be from amongst those marked \*, and one of them, at least, must be played from memory.

A Candidate in Class A, who fails in playing from memory, will thereby be disqualified from passing in that Class, but may, if the other tests be satisfactorily dealt with, be passed in Class B (Teacher).

#### Class B, TEACHER.

Candidates desiring to pass in Class B will be required to satisfy the Examiners in the following tests:—

They must be prepared to play the whole or portions of a piece (either starred or not starred), of their own selection from each of the three lists on pages 13 and 14 (three pieces in all).

To play at first sight the whole or portions of a piece selected by the Examiners.

No particular method or school of playing is favoured; all methods are acceptable, provided the results are satisfactory.

To play (from memory) all or any of the following scales and arpeggios:—

(A.) Major, and harmonic minor scales, the hands commencing a third, sixth, eighth, or tenth apart; and chromatic scales, commencing a minor third, major or minor sixth, or minor tenth apart all in similar and contrary motion.

SUBJECT III.—PLAYING ON THE PIANOFORTE—*Continued.*

Minor scales in the melodic form will be required in similar motion only, an *eighth* apart.

(B.) Major and harmonic minor scales in double thirds in similar motion only.

(C.) Chromatic scales in double minor thirds in similar motion only.

(D.) Major, harmonic and melodic minor, and chromatic scales in double eighthths in similar motion, the hands commencing an eighth apart.

(E.) Scales in double eighthths in contrary motion in *major* keys only, both hands commencing on the key note.

(F.) Arpeggios of major and minor common chords and their inversions, and dominant sevenths and their inversions, in similar and contrary motion, the two hands to play the *same* position, of the chord.

All the scales and arpeggios, as above stated, to be played with *legato* and *staccato* touch:—four octaves in similar motion and two octaves in contrary motion, except scales in double eighthths, which are to be played in three octaves in similar motion and two octaves in contrary motion. The *staccato* touch to comprise both *finger and wrist staccato* (except scales in double thirds and double octaves, which will be required with *wrist staccato* only). The scales and arpeggios to be played by each hand separately or with both hands together, descending and ascending, and to begin on the highest or lowest note at the discretion of the Examiners.

All good methods of fingering in the Scales and Arpeggios will be accepted.

The judicious use of the pedals will be taken into account.

Candidates will also be required to answer questions on Touch,—the action and position, etc., of the arm, hand and fingers in playing; also on the fingering of passages selected by the Examiners. Candidates are given an opportunity of studying the paper of Tests in Fingering half-an-hour before their practical examination.

To work a paper on the general principles of Form, as exemplified in pianoforte compositions, and on the training of pupils, with special reference to the eradication or prevention of faults most frequently found in young pianists, and on the phrasing of given passages. The paper may also include questions as to the studies and pieces most suitable for particular grades of students.

To work the paper on Rudiments of Music, &c., specified on page 4.

In order to pass, a Candidate must obtain 75 per cent. of the total number of marks in the practical branch.

Candidates who are blind will be required to fulfil all the conditions set forth above, excepting the sight reading test; they will be required instead to transpose a short phrase dictated by the Examiners, and to improvise on a given theme.

*The Examination will last about half-an-hour.*

SUBJECT III.—PLAYING ON THE PIANOFORTE—*Continued.*

## Class C, PERFORMER.

Candidates entering as PERFORMERS (Class C) will be required to fulfil the whole of the requirements for Class B, excepting that they will be exempt from working the paper on Form and Teaching. The three test pieces selected, one from each list, must be from amongst those marked \*, and one of them at least must be played from memory. A higher standard of excellence in performance is required than in the case of teachers. No particular method or school of playing is favoured; all methods are acceptable, provided the results are satisfactory.

Candidates who have already passed as TEACHERS (Class B) may re-enter for Class C at a subsequent examination. All the practical requirements under Class A must be fulfilled, but all further paper work will be excused.

## BLIND CANDIDATES.

Candidates who are blind will be required to fulfil all the conditions set forth above, excepting the sight reading test; they will be required instead to transpose a short phrase dictated by the Examiners, and to improvise on a given theme.

*The Examination will last about half-an-hour.*

Books recommended for reference and study will be found noted on page 20.
